

თარიღი: 9.03, 13.03

კურსი : მე- 4

აპეციალობა- საზღვაო ნავიგაცია

თემა: Life saving appliances

Emergences

students read the text and explain what about the text. I give them Georgian definitions and Georgian translation. After that teacher show the video about Life saving appliances.

<https://youtu.be/er43oAIIHVE?t=1>

Student answer the questions:

1. What is lifeboat?
2. What is lifecrafts?
3. What is lifejacket?
4. Tell the length of ship in meters?

Student present the presentation about topics..
